

# I JUST ADORE STIX-HOLDS GLUE!

Heavens, Susie!  
You have stuck  
all my dollies  
together with  
glue.

That's right, Granny!  
Now you no longer  
need to move them.  
Saving you time! Just  
think of what else we  
can glue together. I  
just love Stix-Holds!
