

# Linn-Benton Community College

## Realistic Drawing

Instructor: **Vikki Nazareus**

Email: **nazarev@linnbenton.edu**

*Suggested supplies: The supply list suggested below is ideal, but come paint with us with the supplies you have and add to it as we go with what you need.*

**Drawing pencils** – or large primary pencil (fat pencil that kids learn to write in kindergarten. (great values and much cheaper!)

**Kneadable eraser** – usually gray – FABER CASTELL or other brand

**Colored pencils** – (get a good brand) - Prismacolor, Dick Blick, Steatler, Arteza – chose the size set that best meets your needs.

**Elegant Writers** – permanent calligraphy pen, black, **Has to be this brand**

**Pencil Sharpener** – one that fits large and small pencils

**Ruler**

You don't need all of these supplies the first week. (Art is an expensive habit!). You will need pencil(s), eraser and sharpener the first four/five weeks of class.
